THURSDAY, MAY 30

Opening: Joshua Nathanson and Erin Jane Nelson at Van Doren Waxter

This two-person outing brings together new works by Joshua Nathanson and Erin Jane Nelson, both of whom imbue their eccentric pieces with a sense of playfulness. To create his paintings of plants, fruits, and vegetables brought to life, Nathanson uses a range of tools, including iPad drawing apps, Photoshop, and handmade oil sticks and paint. Alongside his paintings will be Nelson's ceramic sculptures and textiles, which focus on the histories and the changing landscapes of the American South and Southeast.

Van Doren Waxter, 23 East 73rd Street, 6–8 p.m.
